

Reality Check!

The Standing Committee on Public Safety and National Security has finished its hearings on Bill C-391. The Committee has learned that MILLIONS of firearms and their owners are NOT in the system. The RCMP claims the registry will only cost \$4.1 million per year to maintain the current registry. HAVE WE HEARD THIS SONG BEFORE?

If we're going to keep this white elephant, a police officer needs a better chance than 50/50 that the registry information is correct. Do the math to find out how much this will cost Canadians!
