

**NOTICE TO ALL SHOOTERS - MATCH & SPORTING RIFLE
CANADIAN SHOOTING SPORTS ASSOCIATION
LAKESHORE SMALLBORE ASSOCIATION
2011-2012 WINTER MATCHES**

We're about to have another run at these matches. Regrettably it looks like we will be short another range; we don't have anyone to run the matches in St. Catharines (Colin Smith has had to bow out.). Attendance there was never heavy, but it was a very useful addition to our block of ranges. If anyone is available to operate the match there let us know and we'll see about reactivating it.

Pioneer's squadding: Saturday will be strictly 30 minute relays (ISSF Prone, Sporting and Hunting Rifle) with squads at 9, 11, 1, and 3; Sunday morning at 9:00AM will be an ISSF 3-Position Squad running till 2:00PM (with other disciplines fitted in); then a single squad from 2:00-4:00. On their Airgun range there will be squads at 9, 11, 1, and 3 both Saturday and Sunday.

At the RA club in Ottawa: on Saturday all .22 smallbore disciplines can be fired at 9, 11:30, and 2: Sunday at 8:45 and 10:45 will be smallbore Prone only; Sunday at 1:00PM and 3:00PM will be Air Rifle and Air Pistol only.

Durham shoot .22 Friday night at 6:00 pm ; Air Rifle and Pistol Sunday night at 7:00 pm. (Could shoot .22 **OR** Air on Monday night at 7:00 pm if had a full relay - need to know in advance)

As things stand it looks like we'll have 6 ranges hosting the matches. The main matches (1-6, 9, 10) will run as usual at Pioneer, Ottawa, Oshawa, Peterborough, and Port Elgin. The .22 silhouette matches (7 & 8) are fired mainly at the Galt Sportsmen range and at Port Elgin. If any other clubs would like to experiment with silhouette please get in touch with Garry Folkard or Harold Frey for information on match rules, targets, etc.. as I know very little about this match. To make it easier for shooters to compete in both the regular LSBA matches and the Silhouette matches the matches at Galt are usually fired on a different weekend from the other matches - see the schedule below.

For the last few seasons we have sent out match results by e-mail to all those competitors for whom I had an e-mail address; other competitors received them by regular mail. This has worked well in saving work and postage and I plan to continue the same way this season. (E-mailed results will normally be in PDF format - I'm sure most of you have or can get the free reader for these files from the adobe.com website.) Please advise if this approach causes any problems. (Note: my e-mail address is louis.anderson@sympatico.ca).

NOTE: NOT ALL RANGES WILL BE OPERATING AIR PISTOL AND HUNTING RIFLE. CALL THE LOCAL CO-ORDINATOR AHEAD OF TIME TO CHECK IF YOU WISH TO SHOOT EITHER EVENT.

TIME LIMITS: (These are the same as used for the Indoor Championships):

SPORTING RIFLE: 30 minutes for 20 shots PRONE, STANDING or KNEELING

ISSF EVENTS: 30 minutes for 20 shots PRONE
40 minutes for 20 shots STANDING
35 minutes for 20 shots KNEELING

SFC classifications will apply in this match; in their absence NRA International 3-Position classifications will be given limited recognition in Matches 1 to 4 and 9. Unclassified shooters will normally be temporarily placed in the Expert class; but we reserve the right to assign an unclassified shooter to the Master class if we feel this is warranted.

Classified shooters will retain the classification possessed at the first match entered even if upgraded by the SFC during the winter; unclassified shooters will revert to their true classification if assigned one by the SFC before the March match.

JUNIORS are competitors who have not reached their 16th birthday as of December 31, 2011; International Juniors are competitors who have not reached their 21st birthday as of December 31, 2011. Sporting Rifle - Matches 5 & 6 will use both categories; ISSF events - Matches 1 to 4 and 9 use International Junior category only.

VETERANS are competitors who have reached their 55th birthday as of December 31, 2011,

CHALLENGES: Normal challenge procedure will be followed - Match Committees to resolve disputed scores will normally consist of 3 officials or shooters not involved in the dispute. The Challenge Fee will be \$1.00.

AWARDS: In all matches trophies will not be awarded for the individual matches each month, but at the end of the season awards will be presented to the top shooters on the winter as a whole. To be eligible a shooter must compete in at least 3 of the matches; if more than 3 matches are fired the best 3 scores will be counted. Thus a shooter can miss 2 matches and still be eligible, but will improve his/her chances if he/she competes in either 4 or all 5 tournaments.

In all matches Firsts (plaques) will be awarded in all applicable classes (see the **COURSES OF FIRE** above); seconds (medals) will be awarded in all classes with three or more competitors eligible; thirds (medals) in all classes with six or more competitors eligible. (We reserve the right to combine classes if a match has more than one class with only one or two competitors.)

MEMBERSHIPS: Competitors must be CSSA members or members of the Federation Quebecoise de Tir. SFC membership is not mandatory but is recommended; it is necessary to validate classification cards. Both CSSA & SFC may be joined at the match.

RESERVATIONS: These are important and we urge you to make them if at all possible. If you come without one we will do our best to accommodate you - but range space is limited. And if you do have a reservation please be at the range in good time - say 30 minutes before squad starting time - or you may lose your spot to a post entry. When sending in your entry form please indicate a second choice of squad if at all possible - just in case your first choice is already filled. And please get your reservations in early. Post entries will be accepted if space is available.
